Man missing for five days

February 12, 1981
Palomar State Park
1981-007

Thursday morning we received a call from the San Diego Mountain Rescue Team. We were told that CRMRA search was being organized for Saturday morning, to try and locate Eric Enell missing since February 7th. As on the previous mission, we would rendezvous at Doane Lake Campground, in the Palomar State Park.

Friday afternoon, while on another mission (1981-008) we heard over the radio that Eric was found alive in Pauma Creek by Navel personnel.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by donations from people like you.
