9-year-old boy missing

February 08, 1981
Palomar State Park
1981-005

Early Sunday evening we received a call from the San Diego Mountain Rescue Team with news of a search for 10 year old boy in Palomar State Park. The San Diego County Sheriff was coordinating the search and did not require any out or county assistance at that time, was requesting that we go into a standby mode. Monday morning we received another call stating that our services would not be needed.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by donations from people like you.
