A dune buggy rolled off a ridge in the Badlands near Moreno. As it turned over it flipped the passenger out. He had multiple fractures of the left hip and was experiencing severe pain when we arrived. John Lainer, M.D., administered a sedative. After that we quickly loaded the victim into a Stokes litter and evacuated him to a waiting ambulance.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
