Fairchild was with his Scouts at Dry Lake and it was reported to him that a boy had left for a solo climb of San "G" and had not returned. This was quite some time after dark. Three of the Scouts were sent out to call for help. We received the call and contacted the San Bernardino County Sheriff's Department. While we were starting the call out the Sheriff's Department called and informed us that the boy was safe.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
