We received a call from a parent that there were five boys overdue from a backpacking outing from the tram. The Riverside County Sheriff's Department was called and we went to the tram. Due to fresh snow, snowshoes were required all the way to Round Valley where the boys were found in the ranger hut. They had made no mistakes and used their heads. They followed us out to the tram.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
