

Stand by to assist with plane crash

March 13, 1974
White Mountains, Inyo County
1974-006

We received a call from Sierra Madre Search and Rescue Team asking RMRU to stand-by to assist on a small airliner that had crashed earlier that afternoon. We were notified the next morning that the Inyo team was able to handle it with no assistance.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
