

4WD Injuries

February 9, 1976
Elsinore Area
1976-006

The Elsinore office of the Riverside County Sheriff's Department telephoned RMRU to request our help in rescuing people who had been injured in a four-wheel drive vehicle accident. While we were rolling the mission was cancelled for RMRU.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
