About 1400 hours (2 p.m.), my phone rang and I was alerted by Kevin Walker that two little children were lost from Bay Tree Springs about midway between Banning and Idyllwild.

As sometimes happens, most every team member had gone somewhere and was unavailable. Those who were available were preparing to go when the phone rang again advising us that the two children had been found!

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
