

## Stranded Climbers

**March 13, 1977**

**North Face of Mt. San Jacinto**

**1977-008**

RMRU was asked to search, by the Banning Station of the Riverside County Sheriff's Department, for two climbers that were overdue on a climb of the North Face. While the unit was in the process of a normal call-out, the sheriff's department notified our coordinator that the two climbers were safely out of the backcountry.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
