The Indio station of the Riverside County Sheriff's Department called RMRU coordinator Jerry Muratet for advice concerning five adults that appeared to be overdue. After discussing the situation with Walt Walker, who commented there was not enough information to start a search, Jerry called Indio back and suggested they try to obtain more information. Later in the evening Jerry was advised, by Indio, that we would not be needed.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
