

Lost young man

June 08, 1978
San Jacinto Mtns
1978-027

It happened again, we had been up all night on the previous search, and we were called again to search for another young man. This time in the San Jacinto Mountains. We had no sooner started rolling when the pagers 'beeped' and we got the good news, the boy had been found.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
