

## Overdue Scout Troop

**June 11, 1978**

**Whitewater river area**

**1978-028**

Late Sunday evening we were notified that a group of Scouts and their leaders were overdue on a weekend hike. With information, as to their departure time, planned route, age of the Scouts and good weather, we decided to wait until morning. About 9 a.m. we were advised that the group had hiked out and that everyone was fine. They had just taken longer to complete the route than they had planned, just as we had thought.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
