

Out of county search

Along with other California Region - Mountain Rescue Association teams, RMRU had been requested to participate in a search. When the calling process had been completed, we found that no RMRU operation leaders were available, even though some other members were. RMRU policy prohibits sending members out of county without an operation leader along. Due to this situation we declined to send any personnel.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
