

Two with hypothermia on Mt. Whitney

September 06, 1978
Mt. Whitney
1978-043

The team received a request from the California Region to provide a field team to carry two hypothermia victims out from trail camp on the Mt. Whitney trail. We were unable to respond due to a lack of manpower.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
