

Out of county mission

November 01, 1978

The China Lake Mountain Rescue Group had requested our help for a rescue mission. We had just started on our way when word was received that the mission had been cancelled.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
