

Four children missing from snow covered campground

November 24, 1978
Hurkey Creek area
1978-051

It was early evening when we received a call that four children were lost out of the Hurkey Creek Campground. There was snow on the ground, the temperature was dropping, and the children were not dressed for the cold. All RMRU members contacted, hurried from their homes, and were quickly on the way when the pagers relayed the good news. The four children had been safely located.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
