We received a call from the Elsinore station of the Riverside County Sheriff's Department that a young motorcyclist was overdue. While we were in the telephoning stage, we were notified that the biker had returned.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
