

## Small child lost

**April 12, 1979**  
**Santa Barbara County**  
**1979-011**

We received a request from the Los Padres Search and Rescue Team to search for a small child lost out of one of the campgrounds in back of the city. Due to our mission load that week, we were unable to respond.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
