We received a call from the Riverside County Sheriff's Department that a man in his thirties became stranded while hiking below the mountain station. While enroute to Palm Springs, the mission was cancelled because the hiker had made it back to the top.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions.
