

Family overdue on day hike

September 21, 1980
Humber Park
1980-043

We received a call from the Banning office of the Riverside County Sheriff's Department that a family had been reported overdue in returning to Humber Park from a day hike the previous day. As team members were being called, the sheriff telephoned back that the family had returned to their car, and all were O.K.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
