

Search in Northern California

September 25, 1982
Alpine County, Northern California
1982-032

September's only call was for a search in Alpine County. But because there would be no flights by the military to the Northern California county, no members were sent.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
