

Three day-hikers overdue

January 1, 1983
Palm Springs Tram
1983-001

RMRU members' watching of bowl games was interrupted with a call from the Banning Station of the Riverside County Sheriff's Department with the information that three hikers were overdue in completing a hike from Idyllwild to the tram. While members were enroute to Palm Springs the trio walked out, all in good condition. With that news, the pagers were activated and members were turned around.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
