

Man stranded on ledge

May 14, 1983

Falls Creek, San Jacinto Mtns

1983-017

During the late morning we received a call from the Banning station of the Riverside County Sheriff's Department that a man was stranded on a ledge in Falls Creek. Members were contacted and responded to the road head at the community of Snow Creek. As members were quickly preparing gear for a rescue operation, the man walked out stating that he had been able to free himself from his problem. With that members loaded up and headed for home.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
