

Plane crash

May 28, 1983
Norco
1983-018

We were called by the Riverside station of the Riverside County Sheriff's Department to assist in the evacuation of a plane crash near Norco. As the call out procedure was being started, the sheriff called back and said that because of the closeness to the city our help would not be needed.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
