

## Search in Sierras

**July 28, 1983**  
**Yosemite Valley, High Sierra**  
**1983-027**

We were called to assist in a search near Yosemite Valley. Because of transportation problems, no RMRU personnel were sent.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
