

## Search in Yosemite

**July 24, 1984**

**1984-017**

We received a call through the Mountain Rescue Association for a search in Yosemite National Park. No members were able to respond that distance because the call came in the early part of the week.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
