

Hunter injured

October 14, 1984
Camp Lacky, San Jacinto Mtns
1984-025

We received a call from the Hemet station of the Riverside County Sheriff's Department that a deer hunter had fallen and injured himself near Camp Lacky. The team was activated and while members were enroute the mission was aborted, as the friends of the injured man helped him to the dirt road, and then he was transported out by the Pine Cove Ambulance.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
