

Mission in Baja California

February 19, 1985
Baja California, Mexico

At 7:00 A.M. we received a call from the San Diego Mountain Rescue Team that they needed a few members to go with them into Baja California to effect a rescue for a group of American hikers. While we were in the middle of the call out the San Diego team called back and stated that no assistance would be necessary.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
