

55 year old man overdue

February 26, 1985
Imperial County
1985-009

In the early morning hours we received a call for a search in Imperial County near the Riverside County line. The search was for a 55 year old man, now missing for better than one day. Members responded to the All-American canal, and as they arrived or were enroute the man walked out. Members were turned around and returned home and to work.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
