We received a call from the California Region of the Mountain Rescue Association asking for manpower to assist rangers with a search in Yosemite National Park. No members were sent because of logistical problems with travel.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
