

Boy wandered away from home

December 8, 1985
Idyllwild
1985-054

As we were finishing refueling vehicles in Idyllwild after completing Mission No. [1985-053](#), we were contacted by radio on the Sheriff's frequency that a 16 year old mentally retarded male had wandered away from one of the inns near the center of the village. A deputy was enroute from Hemet. As members were preparing to drive to the P.L.S. (place last seen), we were notified that the teenager had returned. Members then returned home.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
