We received a call from the Hemet Office of the Riverside County Sheriff's Department that a pair of hikers were overdue in completing a hike somewhere in the San Jacinto Wilderness. As members responded, another call was made from the Sheriff stating the hikers had returned safely, just overdue. Using our pager system members were contacted and told to return home.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
