**1987-022**

We received a call from Hemet Station of the Riverside County Sheriff's Department that a hiker was overdue in returning from a day hike in the San Jacinto Mountains. As the callout procedure was being initiated the mission was cancelled. The subject had walked out and was in good condition.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
