

## Missing person in Yosemite

**June 25, 1987**  
**Yosemite**  
**1987-023**

As the middle of the day neared, we received a call through the California Region of the Mountain Rescue Association asking for searchers to be ready to be flown from the L.A. area to Fresno and then bussed into Yosemite National Park to search for a missing hiker. Four members were available to search through the up coming weekend. Before the RMRU members made the drive to L.A. the mission was cancelled as the subject had been located.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
