

Car over the side

October 24, 1987
Dripping Springs
1987-035

We received a call from the Elsinore station of the Riverside County Sheriff's Department to respond to assist in the rescue of some injured subjects as a result of a car over on a road off of the Ortega Highway. As we responded a cancellation page was put out because the El Toro Rescue helicopter was able to effect the rescue by winch.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
