Skyline Trail, Tramway to Palm Springs
1991-011

By Pat Tillman

On May 25th at 8:00 p.m. we were called out to search for a man with a ten year old boy and an eight year old girl. The search was started at the Palm Springs Tramway. Bob Baker, Jimmy Z & Mike Wimbrow took the Tramway to the top and started hiking down the skyline trail, while Henry Negrete & Joe Erickson set off to hike up the same trail from the Desert Museum. Anna Li and I started hiking up Skyline Trail from Ann Dolly's.

After a full nights searching, it was discovered that the lost party was at home in the comfort of their own beds. After the team hike out, we went to breakfast. And so ends another mission for RMRU.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
