

## 6 year old girl missing from campground

**May 25, 1991**  
**Piñon Flats Campground**  
**1991-012**

In the Afternoon the Sheriff's Office received a call that a six year old girl was missing from the Piñon Flats Campground. RMRU responded to the call-out. While in transit to the base at Piñon Flats Station the personnel in the rescue van intercepted the girl with her rescuer, an off duty Sheriff's deputy and Piñon Flats resident, who had heard the call-out on his radio and immediately walked out his door to initiate a search.

He had participated in the Travis search (the missing three year old, mission [1991-009](#)) and did not want a repeat of that outcome.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
