

## Plane crash with pilot missing from plane

**May 6, 1992**  
**Piñon Flats**  
**1992-002**

We were searching for the pilot of a plane that had crashed. The pilot left the plane but died from injuries close to the plane. The passenger survived.

**Additional Note: The NTSB report (LAX92FA202) indicated that the plane crashed because the pilot allowed himself to fly too low into a boxed canyon. The pilot was also under the influence of marijuana.**

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
