A day hiker on Deer Springs Trail fell and suffered a broken ankle. An RMRU team member was helicoptered in by the Sheriff's Dept., and the subject was quickly stabilized and flown out.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
