RMRU was called to assist in the evacuation of a fallen climber reportedly suffering a broken ankle. In the time between the climber's accident and RMRU's involvement, some other climbers had managed to get the subject safely down to the Scenic Trail.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
