

Woman on Fingertip Traverse, fell and hurt ankle

July 18, 1997

Tahquitz Rock, Lunch Rock down

1997-022

At 3:00pm RMRU was called to give aid to a female climber who had fallen on 'Finger Tip Traverse' on Tahquitz Rock. Reports were that she had a possible broken ankle. When team members located the subject she was being assisted by her partners suffering an apparent severe sprain. She had no other injuries. She was littered out as a precaution, and released at the trail head to seek her own care.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
