September 27, 1997
Pedley Quarry
1997-027

On Sunday morning at 11:00am, RMRU was called to the site of the old abandon Pedley Rock Quarry to assist a transient who had stranded himself on the side of a cliff. CDF was already on sight and RMRU assisted them. The subject was rescued safely and in good condition.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
