

Young boy lost from his group, walked out by climbers

Suicide Rock

A young boy became separated from his party which was hiking among the rocks of the Suicide Rock area. Darkness closed in before the boy was found. RMRU was called out, only to discover that the boy had hooked up with another party he did not know. This party escorted the boy off the mountain, and to the Idyllwild Fire Station, at which time RMRU was sent home.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
