

Rave party search

June 11, 1998
Mecca Hills
1998-010

This was a multi-team search. The male subject was attending a "RAVE" party. Having wandered into the rugged terrain of Mecca Hills, he apparently took a fall and suffered fatal injuries. He was ultimately found from the air during a helicopter search. RMRU was sent in to confirm the subject's status, and perform the recovery by helicopter.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
