The Riverside Sheriff's Department asked RMRU to assist with an evidence search. We were to search the site of a triple homicide that occurred a year earlier. The site was located on a steep hillside near the top of Millard Canyon near Cabazon.

The search was fruitless but aided the Sheriff's investigators since they are now more confident that the evidence is not at that site.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
