Two 20 year old males were overdue on their hike. RMRU responded but the mission was aborted when the hikers showed up at the upper tram station. RMRU members on scene rode down the tram with the hikers.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
