RMRU was called to assist with an urban search for a missing 9-year-old boy. The boy was found before RMRU could arrive and the search was called off.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
