A 65-year-old man phoned in about 8 p.m. that he was moving slowly and behind schedule on his return from a hike to San Jacinto Peak. At 11 p.m., with no further contact with the man, sheriff's dispatch alerted RMRU for a search. Within about 30 minutes of the initial call the man walked out and RMRU's response was canceled.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
