

## **Missing Off-Roaders in Santa Ana Mountains**

**December 7, 2007**

**Santiago Canyon, Santa Ana Mountains**

**2007-027**

RMRU was alerted early on a very rainy Friday morning about a search for missing off-roaders who were stuck in the Santa Ana Mountains in a rain storm. As we were gearing up and getting on the road, the missing persons found their own way out.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
