RMRU was called to look for two lost hikers who had called on a cell phone that they could not find the trail in the snow in the San Jacinto high country. While we were enroute to the Tramway road head the State Park Rangers and the State Park Volunteers found the hikers and said they would walk them back to the Tramway. RMRU was called off.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
